## WORK EXPERIENCE

### SENIOR - WEB DEVELOPER & UI/ UX DESIGNER

ARC Document Solutions, USA | Ninearch solution Pvt Ltd

January 2025 - Present / Full-Time

- Led setup, customization, and management of Digital Storefront (DSF) websites, driving smooth operations, order fulfillment, and platform improvements.
- Directed WordPress and Shopify development, integrating WooCommerce/Shopify solutions with UX-driven eCommerce strategies.
- Championed UX research, usability testing, and A/B experiments, achieving 25–30% growth in conversions and engagement.
- Oversaw design of wireframes, prototypes, and navigation flows in Figma/Adobe XD, establishing scalable and consistent design systems.
- Guided frontend performance enhancements with responsive, accessible, and mobile-first designs using HTML, CSS, JavaScript, and PHP.
- Managed digital assets, product listings, and CMS workflows, ensuring accuracy, branding consistency, and efficiency.
- Provided leadership in web development and UI/UX design, mentoring junior team members and steering projects from concept to successful launch.

### SPECIALIST - WEB DEVELOPER & UX/ UI DESIGNER

MindVision Interactive, Australia | SydPro Pvt Ltd

July 2020 - Dec 2024 / Full-Time

- UI/UX Design & Strategy
  - Increased conversion rates by up to 30% through user research, competitor analysis, usability testing, and A/B experiments.
  - Designed wireframes, prototypes, storyboards, and site maps to streamline and enhance user journeys.
  - Built responsive, accessible, and brand-consistent interfaces for web and mobile platforms.
  - Optimized CTAs, layouts, and navigation flows, improving engagement by ~25%.
  - Collaborated with developers, marketers, and stakeholders to deliver end-to-end design solutions.
  - Proficient in Figma, Adobe XD, Sketch, and other prototyping/testing tools.
- WordPress & Shopify Development
  - Built, customized, and maintained WordPress websites using HTML, CSS, JavaScript, PHP, Elementor, and WPBakery.
  - Developed and optimized Shopify stores and WooCommerce integrations with strong eCommerce UX.
  - Managed domains, DNS records, and hosting configurations (cPanel, third-party DNS) while ensuring smooth migrations with minimal downtime.
  - Enhanced site performance through image optimization, code minification, responsive design, and frontend performance best practices.
  - Integrated plugins, designed intuitive dashboards, and ensured cross-browser/mobile compatibility.
  - Monitored uptime and server health, providing proactive technical support that reduced resolution times by 30%.
